RE: FINAL ON STEEL WIRE ROPE FROM THAILAND  
(C-549-806)

1. Department of Commerce published its Final Affirmative Countervailing Duty Determination and Countervailing Duty Order in the investigation of steel wire rope from Thailand on September 11, 1991. Vivat Steel Wire Rope (1979) Company Limited is excluded from the affirmative determination and order.

2. The product covered by this investigation is steel wire rope. Steel wire rope encompasses ropes, cables, and cordage of iron or steel, other than stranded wire, not fitted with fittings or made up into articles, and not made up of brass plated wire.

Excluded from this investigation is stainless steel wire rope, i.e., ropes, cables, and cordage other than stranded wire, of stainless steel, not fitted with fittings or made up into articles, which is classifiable under Harmonized Tariff Schedule (HTS) subheading 7312.10.6000.

Wire rope is currently classified under subheadings 7312.10.9030, 7312.10.9060, and 7312.10.9090 of the HTS. Although the HTS subheadings are provided for convenience and customs purposes, our written description of the scope of this investigation is dispositive.

**ACTION:**

3. U.S. Customs field officers should suspend liquidation on all entries of steel wire rope from Thailand (with the exception of entries of Vivat product) that are entered, or withdrawn from warehouse, for consumption on or after September 11, 1991, and require a cash deposit on entries of this product in the amount of 0.56 percent ad valorem. This suspension will remain in effect until further notice.

4. For further reporting purposes, this countervailing duty case has been assigned investigation number C-549-806.

5. If there are any questions regarding this matter by Customs officers, please contact via E-Mail, through the Regional Antidumping/Countervailing Duty Coordinator, the Trade Compliance Division, Antidumping/Countervailing Duty Branch, using attribute "HQ OAB".
