RE: Correction of message 3172304, dated 06/21/2013 concerning the third country case numbers in the scope determination concerning the countervailing duty order on oil country tubular goods from the Peop

1. This is a correction to message 3172304, dated 06/21/2013, to correct the header, which does not contain an Effective Date.
2. The header of message 3172304, dated 06/21/2013, does not contain an Effective Date. This correction message contains the Effective Date in its header (i.e., 06/20/2012). Below is the fully corrected message.
3. On May 31, 2013, Commerce issued its preliminary scope determination concerning the countervailing duty order on oil country tubular goods (OCTG) from the People's Republic of China (PRC), finding that seamless unfinished OCTG that are produced in the PRC and further processed into certain grades of finished OCTG by particular finishing processes are within the scope of the countervailing duty order, regardless of the country in which the further processing occurs. See message number 3169306, dated 06/18/2013.

In order to ensure that requisite countervailing duty entries with a declared country of origin other than the PRC are and can be properly claimed as subject merchandise, we have added additional case numbers to the case reference file with the ACE for certain countries. These additional case numbers reflect third countries listed as country of origin on shipments of OCTG from the PRC.

4. The merchandise covered by the countervailing duty order consists of certain OCTG, which are hollow steel products of circular cross-section, including oil well casing and tubing, of iron (other than cast iron) or steel (both carbon and alloy), whether seamless or welded, regardless of end finish (e.g., whether or not plain end, threaded, or threaded and coupled) whether or not conforming to American Petroleum Institute (API) or non-API specifications, whether finished (including limited service OCTG products) or unfinished (including green tubes and limited service OCTG products), whether or not thread protectors are attached. The scope of the order also covers OCTG coupling stock. Excluded from the scope of the order are casing or tubing containing 10.5 percent or more by weight of chromium; drill pipe; unattached couplings; and

unattached thread protectors.

The merchandise covered by the order is currently classified in the Harmonized Tariff Schedule of the United States (HTSUS) under item numbers: 7304.29.10.10, 7304.29.10.20, 7304.29.10.30, 7304.29.10.40, 7304.29.10.50, 7304.29.10.60, 7304.29.10.80, 7304.29.20.10, 7304.29.20.20, 7304.29.20.30, 7304.29.20.40, 7304.29.20.50, 7304.29.20.60, 7304.29.20.80, 7304.29.31.10, 7304.29.31.20, 7304.29.31.30, 7304.29.31.40, 7304.29.31.50, 7304.29.31.60, 7304.29.31.80, 7304.29.41.10, 7304.29.41.20, 7304.29.41.30, 7304.29.41.40, 7304.29.41.50, 7304.29.41.60, 7304.29.41.80, 7304.29.50.15, 7304.29.50.30, 7304.29.50.45, 7304.29.50.60, 7304.29.50.75, 7304.29.61.15, 7304.29.61.30, 7304.29.61.45, 7304.29.61.60, 7304.29.61.75, 7305.20.20.00, 7305.20.40.00, 7305.20.60.00, 7305.20.80.00, 7306.29.10.30, 7306.29.10.90, 7306.29.20.00, 7306.29.31.00, 7306.29.41.00, 7306.29.60.10, 7306.29.60.50, 7306.29.81.10, and 7306.29.81.50.

The HTSUS subheadings are provided for convenience and U.S. Customs and Border Protection (CBP) purposes only, the written description of the scope of the order is dispositive.

5. As discussed in paragraph 2 of message number 3169306, dated 06/18/2013 and paragraph 3 above, Commerce considers certain OCTG which is processed into finished OCTG in a third country to be covered by the scope of the countervailing duty order. For OCTG finished in a third country but produced from PRC-origin, seamless unfinished OCTG, importers may declare the country of origin to be other than the PRC for CBP purposes. Therefore, the new case numbers have been created to allow for OCTG finished in a third-country to be properly claimed as subject merchandise upon entry. Paragraph 6 provides a list of third countries for which we have established case numbers for merchandise covered by the scope of the order.

The merchandise in question is currently classified in the HTSUS under item numbers: 7304.29.10, 7304.29.20, 7304.29.31, 7304.29.41, 7304.29.50, and 7304.29.61. The HTSUS subheadings are provided for convenience and CBP purposes only, the written description of the merchandise is dispositive.
