RE: Stay Order pending appeal regarding utility scale wind towers from the People's Republic of China (C-570-982), CIT court number 13-00081 and CAFC court number 13-1303

1. On 03/04/2013 the U.S. Court of International Trade (CIT) issued a Temporary Restraining Order (TRO) in court number 13-00081 enjoining liquidation of certain entries of merchandise which were subject to suspension of liquidation pursuant to the affirmative preliminary results of the countervailing duty investigation published at Utility Scale Wind Towers from the People's Republic of China, 77 FR 33422 (06/06/2012) (prelim. determ. of countervailing duty investigation) and were entered, or withdrawn from warehouse, for consumption during the period from 06/06/2012 through 02/12/2013, and are subject to the countervailing duty order on utility scale wind towers from the People's Republic of China (C-570-982). The TRO is addressed separately in message 3066306, dated 03/07/2013.

2. On 03/29/2013, the CIT issued an order in court number 13-00081 that dissolved the TRO and denied a motion for preliminary injunction that would have enjoined liquidation of certain entries described in paragraph 1.

3. On 04/19/2013 the U.S. Court of Appeals for the Federal Circuit (CAFC) issued an order in court number 13-1303 temporarily enjoining Commerce and CBP from taking any action inconsistent with the TRO described above and in message 3066306, dated 03/07/2013, pending the CAFC's receipt of responses to a motion for a stay, pending appeal, and its consideration of the papers submitted. This order of the CAFC is addressed separately in message 3113308, dated 04/23/2013.

4. On 06/28/2013 the CAFC issued an order (Stay Order) in court number 13-1303 which stayed, pending appeal, the CIT's order dated 03/29/2013.

5. This Stay Order was issued in connection with CIT court number 13-00081 and CAFC court number 13-1303 and enjoins liquidation of the entries described in paragraph 1 and referenced in message 3066306, dated 03/07/2013, and message 3113308, dated 04/23/2013. This Stay Order shall remain effective for all entries which remain unliquidated as of 5:00 p.m. on 03/04/2013 and shall remain in effect until further notice.

6. Liquidation instructions for entries affected by the Stay Order have not yet been issued.

7. Accordingly, effective 03/04/2013 and until further notice, CBP is instructed not to liquidate entries of merchandise as described in paragraph 1 and as referenced in message 3066306, dated 03/07/2013, and message 3113308, dated 04/23/2013. Any entries that are set for liquidation must be unset immediately. Continue to suspend liquidation of other entries of utility scale wind towers from the People's Republic of China that were entered, or withdrawn from warehouse, for consumption during the period 06/06/2012 through 02/12/2013 until liquidation instructions are issued.
